The Epochs are fogproof and waterproof because they're nitrogen-filled.

# A20 Youth Antelope Hunt

**Outfitter: Powder River Outfitters  
Tom Close, Close Encounters**

**[www.powder-river-outfitters.com](http://www.powder-river-outfitters.com)**

**Game to Hunt: Antelope**

**Number of Days: 5 days**

**Number of Hunters: 1 youth hunter, 1 non-hunter**

**Weapon: Archery**

**Location: Montana**

**Dates: 2010**

***Stop by and see Tom at the banquet in regards to this hunt.***

**Description:** This area is under a strict rifle quota, which makes it tough for the rifle hunters to draw, and the outfitter leases almost a million acres, all of which contributes to an under-harvested resource. There are lots of 13" - 14" bucks with good mass, which easily qualify for the P&Y minimum. The better bucks are outstanding trophies that will top-out between 15 – 16 inches. Typically the 1st buck that comes into the waterhole will get plugged, but a discriminating hunter should have no problem collecting one that will make the book, and you may get a crack at one of the top-end herd bucks. On a good year, 25% of the bucks harvest will be better than 15 inches.

**Included:** 5 full days of hunting (2 hunters x 1 guide) for youth (18 & Under), 5 days of non-hunter observer fees for guardian or adult. Access to prime private property – 900,000 acres under lease. Blinds and tree stands set at active waterholes. Transportation during the hunt. Field preparation of trophies and meat. Cape prepared for taxidermist. Carcass prepared for butcher. We recommend you have it done in Broadus. All the accommodations for hunter and observer needed during the hunt. Nice clean, comfortable mobile homes. All meals for the hunter and observer during the hunt (prepared by cook).

**Not Included:** License - \$205. Broadus is in a quota Archery zone, but almost all who apply properly will draw. The deadline for the tags has been the 1st week of June.  
Upgrade the non-hunter observer to hunter – additional \$1000.
